Dear Mrs. Mackey

**Re:** **Mr. Paul Christopher Christopher MACKEY** **DOB:** **GRO-C** 1969  
**NHS:** **GRO-C**  
**Address:**

I was deeply sorry to hear that your husband Mr Paul Christopher Mackey, has passed away, and I realize what a great loss this will be to you and your family.

Unfortunately the chemotherapy and radiotherapy we administered to help Paul, was unable to help him with his cancer. As you are aware his oropharyngeal cancer was HPV positive and in my experience people with HIV cannot fight the HPV infection well and unfortunately can actually cause HPV related cancers.

I do hope this information goes some way to explain things for you and help you understand the additional issues Paul had whilst dealing with his treatment under our care.

Kind regards.

Yours sincerely
