Dear Dr. Aronstam,

GRO-A

Thank you for your letter about GRO-A. We used to give GRO-A predominantly Hemofil for home treatment but I do not have any particular choice which product you use. I think it sensible for the boys to realise that the product may need to be changed from time to time and not to become too dependent on one manufacturer's concentrates. At present we are using Factorate and Hemofil.

Yours sincerely,

GRO-C

D. I. K. Evans,
Consultant Haematologist.
