Product Licence (Factor VIII)

Thank you for your letter of 14th July. I think we should wait until Medicines Division has carried out a full inspection of the premises, facilities etc. here and at Oxford. Meanwhile, we are covered by Article 3 of the Medicines (Exemption from Licences) (Special and Transitional Cases) Order 1971 (SI 1971/No 1450) which at present applies to the manufacture and assembly of human plasma fractions to the order of the Department of Health and Social Security at Elstree and Oxford.

I enclose a copy of the relevant letter dated 22nd November 1977 which I should have sent you before.

GRO-C
