Mr Hayley

(81)

You will wish to be aware of the attached (rather harsh) letter regarding BPL's capital spending 1980/81.

We can but await Mr Lee's response. I have grave doubts that he will say that he was not present at the meeting at BPL on 19 November and that Mr Collins did not have the authority to cite potential underspend figures.

Mr Goodfrey

Thanks. Keep in touch.
