Infected Blood Compensation Scheme

[Show full question](#)

Question for Cabinet Office

UIN 6906, tabled on 4 October 2024

Question

Sorcha Eastwood >

Alliance

Lagan Valley

Commons

To ask the Minister for the Cabinet Office, how the Infected Blood Compensation Authority will determine the date of infection for individuals where no definitive medical records are available; and what criteria will be used to make these determinations.

Answer

Nick Thomas-Symonds >

Labour

Torfaen

Answered on

14 October 2024

Given the historic nature of the infected blood scandal, the Government recognises that not all medical records will still be available. The Scheme has been designed to minimise as far as possible the burden on those applying, and as set out in the Infected Blood Compensation Scheme Regulations 2024, eligibility for the Scheme will be determined based on the balance of probabilities. The Infected Blood Compensation Authority will provide assistance to those who believe their medical records have been lost or destroyed.
