

# Cutter

TO: M. Sternberg / R. Rousell - S. Ojala/  
K. Fernandez  
FROM: J. N. Ashworth  
SUBJECT: FRANCE - KOATE  
DATE: May 13, 1983  
COPIES TO: R. Mouradian  
W. Ewald  
J. Hjorth  
V. Shalson  
J. Wood

The attached memo from Bob Mouradian includes some difficult questions about AIDS and hepatitis. Admittedly, they are not easy to answer. As Bob suggests, our ability to stay in the market in France depends on the persuasiveness of our reply.

Your advice is needed. What are we able to say?

Please refer to other experts on your staff for additional input.

I will be happy to draft a reply for further editing following receipt of your advice.
