## **INFECTED BLOOD INQUIRY**

---

### **SUPPLEMENTARY WRITTEN STATEMENT OF SANDRA MCKAY**

---

I, Sandra McKay, will say as follows: -

Following my previous statement to the Inquiry dated 07 February 2020, I have since identified two errors at paragraph 2 and 3, as well as important information which was not included in my first statement.

#### **Section 1. Introduction**

1. A detail at paragraph 2 is incorrect, my father's name is Alex, not Alec.

#### **Section 2. How Affected**

2. A detail at paragraph 3 is incorrect, my father died in 2000, not 2001.
3. When my dad was diagnosed with HCV, my mum was told by the clinician that there was no way she could pick up the HCV from my father, and we now know that this information was incorrect.
4. Cirrhosis is not detailed on my father's death certificate and this should have been detailed, as it was one of the causes of death.

**Statement of Truth**

I believe that the facts stated in this witness statement are true.
