Subject: HEPC LITIGATION

John, I meant to get in touch with you before now but it slipped my mind. Charles Lister may have told you that we are required to make non party discovery in relation to the on going Hepatitis C litigation. The list of documents DMS wants includes the minutes on the Advisory Group on Hepatitis. The dates concerned are between 1st March 1988 and 1st September 1991. Can you look them out for me. I have two weeks left in which to complete the exercise. Would it be possible to send the minutes over early next week. If you trust me I will arrange any necessary photocopying. My direct line number is GRO-C Best wishes,
Anita
