Dear Lord Jenkin

Further to your conversation with Zubeda this morning, I attach two sets of papers which have been clearly marked. The set of papers for you include research documents from Professor Zuckerman. We are resending all the documents for ease.

I understand that you have concerns about the fact that there were limited files available to you. As you know we requested all files relating to your period in office, dealing with haemophilia patients who were infected with contaminated blood products. A number of files from the 1970's and 1980's have in fact been destroyed but we have made available to you all those which are currently held. I trust you will find the enclosed papers helpful.

Yours sincerely

GRO-C

William Connon
