Dear Mrs. Murphy,

### Re: Your Claim

Further to my call to you on the 12th June I confirm I received a further telephone call that day from the solicitors acting for the Health Authority. They have confirmed that they have the records but that they are that voluminous it is taking them some time to copy them. I have written to them asking them to let us have a note of the charge and records within the next 14 days.

I confirm that I have written to the AVMA organisation to obtain the name of an expert haematologist and/or hepatologist with a view to progressing matters once the records have been received.

I have diaried my file for the end of the month and no doubt you will contact me if by that time you have not received the legal aid refund.

Yours sincerely,

**GRO-C**
