Dear Mrs. Murphy,

I am sorry I was out of town on the occasion of the "Field of Lilies" and had to miss such an important event. Alf Morris tells me he met you on that occasion.

As you may know, he has since made a very powerful speech in the House of Lords on the problem in general and the pending offer in particular. You will note that in column 296 he mentions your family not by name but without doubt. I have included the rest of the debate for your interest.

Alf and I continue to keep in regular contact over this matter and will continue to maintain pressure on the Government for a just solution.

Yours sincerely,

GRO-C
