*Dear Ms Barlow*

Thank you for your letter of 24 February about the allegation made against you and Roger Evans, Chair of the Macfarlane Trust.

It is regrettable that these events occurred, but I understand that the Haemophilia Society has now retracted the allegation and issued a public apology on its website. I hope that this has resolved the matter.

I hope that you are now able to rebuild a constructive working relationship with the Society.

*Kind regards*

GRO-C
