Consultant Haematologist,
Royal Hallamshire Hospital,
Glossop Road,
SHEFFIELD, S10 2JF.

Dear Dr. Preston,

Further to your letter to Chris Bishop of 22nd June, we have made provision in our 1983, 1984 and 1985 budgets for the following payments to your unit:

This quarter 1983 - £3,000

Last quarter 1983 - £4,000

Each quarter of 1984 £2,500, each of first two quarters of 1985 £2,500, being a total grant of £22,000 over a two year period. The payments for the initial period are higher than subsequent payments to enable you to purchase essential equipment.

I enclose a cheque for £3,000 being the first payment of this series.

Please acknowledge receipt for our records and if there are any queries regarding this arrangement, please do not hesitate to contact me.

Dr. Townsend and I will, of course, be most interested to follow the course of this research programme as it proceeds and I hope that we will be able to meet again for a discussion with you and Dr. Triger in a few months' time.

Kind regards,

Yours sincerely,

GRO-C
