Dear Dr. Christie,

Thank you for your letter dated July 29th, and for the cheque for £3,000 made payable to the Haemostasis Research Fund. I am very grateful for your generous support on this research project.

I had the opportunity to discuss the project in greater detail with Dr. Townsend when we met recently in Stockholm. I will, of course, keep in touch with her, and as you suggest I will make arrangements for further discussions between you and Dr. Triger and myself in a few months time.

Kind regards.

Yours sincerely,

GRO-C
