> Dear Ms Johnson
>
> I am writing in connection with correspondence from you to Christine Grahame on 20 October 2004 in connection with disclossure of documents which
were the subject of a Court of Appeal Hearing (London) on September 20 1990 in relation to HIV Haemophilia litigation. You stated that you were conducting a review of the documents, as it has now been 3 months and I have
not had any correspondence from you, I again request the above named documents as under the Freedom of Information Act I see no reason why these documents should be withheld from me. If there is some reason I would appreciate it if you could inform me.
