Dear Dr. Duncan,

KOATE-H.T. PL 0055/0107

Thank you for your letter of 17th January, 1985.

We confirm that the data sheet for Koate-H.T. will include a statement that the product has been heated at 68°C for 72 hours, and that this step has been introduced in order to reduce the risk of transmission of infectious agents.

Yours sincerely,

 Tatt (Mrs.),
