Dear Sir,

SOUTH WEST THAMES REGIONAL HEALTH AUTHORITY

I would like to inform you that the price of the following item will change to 14p per International Unit from the 6th January 1986.

Koate-HT : Heat-Treated Factor VIII Concentrate

The change in price has been necessary because the HTLV III antibody test is being performed on each donor unit. Cutter were testing all donations by July 1985 and this cost is now being passed on to the U.K. from January 1986.

Yours faithfully,

Linda A. Frith
