Prof. A.L. Bloom,
Haematology Dept.,
University Hospital of Wales,
CARDIFF, CF3 1XW.

29th November, 1984.

Dear Prof. Bloom,

Koate Heat Treated Factor VIII concentrate is available in stock in the following potencies.

270 i.u.

570 i.u.

1000 i.u.

The price per unit of Koate HT is 12 pence per unit but I would be happy to discuss the price if you wish.

Please find attached some references relating to viral inactivation studies carried out by Cutter Laboratories which are very interesting reading.

Regards

Linda A. Frith
Sales Development Manager
