Dear Mrs. Norman,

Re: Annual Returns for 1977

Thank you very much for the completed Annual Returns forms. As mentioned by telephone, I have a few queries:-

1. Form A(3) indicates that GRO-A was treated with plasma. Could you let me know how much plasma he received, please?
2. Form A(1) states that 3 Haemophilia A patients and 1 Christmas disease patient had factor VIII or IX antibodies. Could you let me know the names of these patients, please, and the treatment they received?
3. GRO-A Could you let me know GRO-A basic factor VIII level, please?

Yours sincerely,

(Miss) R.J.D. Spooner
Research Assistant
