Dear Mr. Williams,

Thank you very much for your letter of 14 February, 1979. I have asked Mr. John Carville, Chief, Med. Lab. Scientific Officer, to place an order through the pharmacy for 30,000 units of the 970 packs. Therefore, I would be grateful if you would reserve this quantity for us until receipt of the order. — persistence is usually rewarded.

With many thanks,

Yours sincerely,

GRO-C
