SUBJECT

DONOR REQUIREMENTS - CHECK LIST

RFS

GRO-C

PURPOSE

To establish the instruction regarding a guideline check list of requirements to be followed in determining suitability of a donor to qualify for whole blood or plasmapheresis donation.

SCOPE

Provisions of this instruction apply to all Hyland plasma centers.

INSTRUCTIONS

All donors will be required to meet standards established in the following instructions each time a donation is to be made:

1. Donor Center Instruction 20.8.1, "Donor Requirement - Fingernail Dye Examination and Fixation".
2. Donor Center Instruction 20.8.2, "Donor Requirement - Microhematocrit".
3. Donor Center Instruction 20.8.3, "Donor Requirement - Total Protein Determination".
4. Donor Center Instruction 20.8.4, "Donor Requirement - Weight".
5. Donor Center Instruction 20.8.5, "Donor Requirement - Temperature".
6. Donor Center Instruction 20.8.6, "Donor Requirement - Blood Pressure and Pulse Rate".
7. Donor Center Instruction 20.8.7, "Donor Requirement - Grouping Donors".
8. Donor Center Instruction 20.8.8, "Donor Requirement - Hepatitis B Surface Antigen (HB_sAg)".
