Dear Dr. Aronstam,

Gary BENNETT, d.o.b. GRO-A 67  
GRO-A, d.o.b. GRO-A 72  
GRO-A

These two GRO-A were issued with NH Batch No. HL3186 Factor VIII from the Southampton Haemophilia Centre recently (10 bottles on 22. 8.84 and a further 3 bottles on 29. 8.84). I understand from the notes that you are keeping them under review and as far as I can tell there are no arrangements to follow them up in Southampton. If this is not the case, perhaps you could let me know.

Yours sincerely,

GRO-C
