Alton.
Hants.

Dear Tony.

re: Gary Bennett. GRO-A 67

Thank you for your letter about Gary being ready to be trained in self therapy. He has been on self administered home treatment for well over a year during the holiday period and in fact before he went to Lord Mayor Treloar College so there should be no problem. All my patients on home treatment start off with the NHS concentrate and most seem to manage very well with this.

Yours sincerely.

GRO-C

M. Chisholm M.D. MRC Path.
Consultant Haematologist.
