Dear Members

I have been asked by the MFT Chair to post the following in relation to an incident referred to in this thread that was reported for moderation.

---

Dear Mr **GRO-A**

I gather from the staff that on 17 April 2013, you arrived, with others from the Contaminated Blood Campaign, at the offices in Alliance House wishing to see the Chief Executive and the Chair of the Caxton Foundation. Despite being informed that people were not available, you barged in, unannounced and uninvited, to the offices. This caused real concern to staff and, potentially, gave you sight of confidential information of a personal nature about beneficiaries of all the organisations that work out of Alliance House, including the Macfarlane Trust.

I trust that this action will not be repeated. It would not be out of place for you to apologise for your actions to those staff who were present.

I am placing this letter on the Trust's forum .

Yours sincerely

Roger Evans

**Chairman**
