Dear Mr. & Mrs. Webster,

I am sorry to have to tell you that Gary became involved in a serious breach of the College regulations last week. The duty night houseparent caught two girls in his dormitory at 6.00a.m. one morning last week. The ring leader has been suspended and the other girl severely reprimanded. I think that Gary was well aware of what was going on and that the visit was planned in advance. I have made it clear that if any of these pupils are ever again involved in a similar incident they will be in serious trouble.

I should be grateful for your support over this and hope that you will encourage Gary to abide by the College rules. Please do not hesitate to contact me if you wish to discuss this matter or if you think I can help in any other way.

Yours sincerely,

GRO-C: A M Macpherson

# LORD MAYOR TRELOAR COLLEGE

NAME Gary Webster

Medical REPORT

He has had quite a number of bleeds, most of which have responded fairly quickly to treatment.

Just after half term he was taken ill with a severe sore throat, and blood tests confirmed that this was due to glandular fever. Consequently he was sent home for the rest of the term.
