Dear Mr. Godfrey *Mrs Yvonne NB X on RHA letter*

GRO-C 27/7

FACTOR VIII SUPPLIES

Thank you for your letter re the above. At present we do not either purchase, store, or distribute commercial Factor VIII, but we have had discussions with the RHA regarding future policy in this matter. In view of this I wrote to Dr. Hutchinson who has been looking into this and I enclose a copy of his reply which puts the position in the Yorkshire region clearly.

Yours sincerely

GRO-C
