Bristol

15th August 1991

Dear Ian

Thank you for your letter of 9th August concerning a Bath Gastroenterologist or Hepatologist who would be able to undertake the clinical care of individuals found to be Hepatitis C antibody positive. May I suggest the name of Dr Michael Davis, who is Consultant Physician and Gastroenterologist here at the Royal United Hospital. I am sure he would be more than happy to provide you with the help you require.

Kind regards,

Yours sincerely

GRO-C

J Graham Smith MD
Consultant Haematologist
