Dear Diana

RE: HEPATITIS C LOOK-BACK

Thank you for your fax concerning the meeting on 25 May 1995.

I can confirm that we have had no problems over liaison with hospitals and we are at present managing the work load. The number of units identified are given in the copy letter sent to Dr Robinson. As you are aware there are currently no problems with costs regarding this exercise.

With many thanks for your assistance.

Yours sincerely

GRO-C
