Dear Peter,

Paul Le Bourn, **GRO-C**
DOB 17/03/50, Hospital Number 0297145

I did not know that we had to counsel people about Hepatitis C and I am going to try and find out about this from the Microbiologists. I shall try to have some definite information about it by the time I see Mr. Le Bourn in January.

With best wishes.

Yours sincerely,

GRO-D
