

**Peer-reviewed articles, for the purposes of the Penrose Inquiry 2011,
by Dr Charles Hay, Consultant Haematologist:**

Preston F.E., Triger D.R., Underwood J.C.E., Bardhan G., Mitchel V.E., Stewart R.M., Blackburn E.K.; "*Percutaneous liver biopsy and chronic liver disease in haemophiliacs*"; *The Lancet*, 1978;

Mannucci P.M., Colombo M., Rizzetto M.; "*Non-Progressive course of non-A, non-B chronic hepatitis in multi-transfused haemophiliacs*"; *Blood* (the journal of the American Society of Hematology), 1982;

White G.C., Zeitler K.D., Lesesne H.R., McMillan C.W., *et al*; "*Chronic Hepatitis in patients with haemophilia A: histologic studies in patients with intermittently abnormal liver function tests*"; *Blood* (the journal of the American Society of Hematology), 1982;

Fletcher M.L., Trowell J.M., Craske J., Pavier K., Rizza C.R.; "*Non-A, non-B hepatitis after transfusion of factor VIII in infrequently treated patients*"; *British Medical Journal*, 1983;

Stevens R.F., Cuthbert A.C., Perera P.R., *et al*; "*Liver disease in Haemophiliacs: an overstated problem?*"; *British Journal of Haematology*, 1983;

Kernoff P.B.A., Lee C.A., Karayiannis P., Thomas H.C.; "*High risk of non-A, non-B hepatitis after a first exposure to volunteer or commercial clotting factor concentrates: effects of pooled human immunoglobulin*"; *British Journal of Haematology*, 1985;

Mannucci P.M., Colombo M.; "*Liver disease in haemophilia*"; *The Lancet*, 1985;

Aledort L.M., Levine P.H., Hilgartner M., *et al*; "*A study of liver biopsy and liver disease amongst hemophiliacs*"; *Blood* (the journal of the American Society of Hematology), 1985;

Schimpf K.; "*Liver disease in haemophilia*"; *The Lancet*, 1986;

Anderson C., Contreras M., Barbara J. *et al*; "*Testing for non-A, non-B hepatitis*";

The Lancet, 1987;

Roggendorf M., Dienhardt F., Raschofer R. *et al*; "*Antibodies to hepatitis C virus*

in haemophilia"; *The Lancet*, 1989;

Makris M., GRO-D, Triger D. R., *et al*; "*Hepatitis C antibody and chronic liver*

disease in haemophilia"; *The Lancet*, 1990;

Makris M., **GRO-D**, Triger D.R., Underwood J.C.E., Westlake L., Adelman M.A.; "*Randomised controlled trial of recombinant interferon alpha in chronic hepatitis C in haemophiliacs*"; *Blood* (the journal of the American Society of Hematology), 1991;

Watson H.G., Ludlam C.A., Rebus S., *et al*; "*Use of several second generation serological assays to determine the true prevalence of hepatitis C virus infection in haemophiliacs treated with non- virus inactivated factor VIII and IX concentrates*"; *British Journal of Haematology*, 1992;
