GRO-C

Dear Dr Feld

RE: William Murnhy

GRO-C

Liverpool **GRO-C**

I saw this gentleman with severe haemophilia in clinic today.

He has an infected meibomian cyst. I referred him to St Paul's for management of this. I have also given him a course of Flucloxacillin as it is infected.

We will be seeing him in a weeks time, when he will be admitted during the day to ward 7Y for the VIIISQ study.

Yours sincerely

GRO-C
