Dear Dr **GRO-D**

**PATIENTS NAME:** MR EDWARD FRANCIS CONWAY **DOB:** **GRO-C** 1958  
**ADDRESS:** **GRO-C**  
**HOSP No:** **GRO-C** **H+C No:** **GRO-C** **CLINIC DATE:** 01/08/22

Thank you for your letter dated 26<sup>th</sup> May 2022 regarding this gentleman who I do not believe I have seen as yet.

I had requested outpatient appointments previously and arranged scans but Mr Conway did not attend for these. Upon receipt of your most recent letter I had requested a red flag outpatient appointment which had been scheduled for today. Prior to this appointment his sister got in touch with my secretary and advised that her brother did not wish to attend for scans or clinics through the GI team in Altnagelvin. It is my understanding that they have arranged for assessment in London though I am not aware of any of the details of that.

As they have indicated that Mr Conway will not be attending I have not arranged any further appointment. I have copied this letter to his GP however and would be more than happy to arrange assessment in the outpatient clinic or arrange scans upon receipt of correspondence indicating that he was willing to attend.

Yours sincerely,

Dr C Ferguson
