Mr.M.C.Malone

**GRO-C**

Liverpool

**GRO-C**

Dear Mr.Malone,

HEPATITIS C CAMPAIGN.

Thank you for your recent letter. I can confirm that I support the campaign for justice for those infected with contaminated blood. I have signed Early Day Motion 1219 which has now attracted over 200 signatures of MPs, an unusually large response.

Yours sincerely,

**GRO-C**

Eddie O'Hara MP
