to see orthodontist re overcrowding

GRO-C

Hep C +ve to be discussed
 needs liver blood
 - ups or next visit

29/12/97

Attended the Haemophiliac
 Centre today

Bleeding from mouth (loose
 tooth) since last night.

Had this bleeding on & off.

O/E ooze from a loose tooth
 Rt. lower incisor.

Tongue & throat: no evidence
 of bleeding

Given 1000u haemate P +
 Tranexamic acid 1g tid 7/11.

I didn't discuss with him the
 Hep-C status.
 Asked to contact again if
 bleeding doesn't stop.
