EXHIBIT WITN3094041

This is the exhibit marked "WITN3094041" referred to in the statement of Debra Pollard no. WITN3094036.

30/11/86

Review

Rt. hip was in "winnies" when seen by Mr. Redwood -
Sept. Clinic.

Does not keep him awake
Requires very little analgesia. Pain abates after resting.

Started Brufen again 2 weeks ago (200mg. twice daily) with
good effect.

Attempting to take less responsibility at work. Will need to
stand + walk less.

General health: Not much energy but feels artistic contribution to
this.

Smokes 20 per day.

Alcohol - average 1 glass of wine + 1 pint of beer daily.
Discontinued A.D.S. + notes to family at great length.

Wt. 65 kg. BP 110/70.

General examination + state of joints as before.

Routine blood samples.

Fbc + LFT's normal.

GRO-C

1/2/87
