Dr. L.M. Swinburne,
Director of Haemophilia Unit,
St. James University Hospital,
Beckett Street,
Leeds
LS9 7TF

Dear Dr. Swinburne,

re: Heat Treated Factor VIII

Thank you for your letter of 25th April, 1984 enclosing the names of three mildly affected patients whom you consider possible candidates in the study of heat treated factor VIII. Thank you also for letting me know that you agree to take part in the Armour trial. We look forward to hearing from you as things progress.

Yours sincerely,

C.R. Rizza
Consultant Physician
