Re 4: I hope the update for ministerial correspondence that I copied to you yesterday is sufficient. Do let me know if you need anything more.

Re 2 & 3: work is underway, and we will provide advice by next Wednesday as requested.

I'll give you a call shortly about handling the party aspects of the second reading of the Contaminated Blood Bill on Friday in the HoC. MS(H) is duty minister, and has asked for briefing by 2pm today. Am cc'ing to Rob Hicks so he is aware of MS(PH)'s intention to meet the Bill's party sponsors.

Subject Contaminated Blood - Urgent actions

Hello Rowena

Thanks for coming over to see MS(PH) yesterday. MS(PH) and SofS had an earlier discussion about Contaminated Blood and there were a number of action points that came out of that meeting (see below).

1. MS(PH) would seek a meeting with the sponsors of the Private Members Bill ie Lord Morris and Eddie O'Hara MP. **MS(PH) has requested draft letters by 2pm today.**
2. SofS and MS(PH) wanted to know what options they had for bringing forward the review of the Skipton Fund - **an options paper should be drafted for MS(PH) by next Wednesday.**
3. She also asked for some work to be done on the potential use of Personal Care Budgets to help this group of people. **She would like an initial report on this by 2pm next Wednesday.**

Finally, ministerial correspondence will need to be updated (immediately) in light of her proposed meeting with the parliamentary sponsors.
