London

GRO-C

Please find enclosed a copy of the discharge summary of Angus Stewart whom I believe Professor Lee spoke to you about a couple of weeks ago. As you can see we have actually discharged him at present although he continues to have a low grade pyrexia which remains undiagnosed. Professor Lee asked me to send you a copy of the discharge summary in case we had to get back to you about it at another time.

Many thanks.

Yours sincerely

GRO-C

pp Dr Mary Mathias
SHO in Haematology

Enc.

*P.S. We have actually sent him home!
I will be back to you if we
need your help.* **GRO-C**
