 wife & son
 Issues discussed
 GRO-B DOB GRO-B

- 1) Med wife considers to think
 to 'can overcome' heart +
 doesn't come for treatment
 son cough. Cough + 1st
 heart. Several blood
 recently from trauma.
 Both think due to stress.
 2) Epilepsy pain for 18h
 3) Headaches fairly on
 days off. No worry him
 - work in amb.

- 2) SA married @ baby
 girl. Ka lea
 8" didn't think he could
 pass on heart.
 wife thought "she might
 be a carrier".
 Discussed inheritance
 briefly.

apparently some family
 support from the parents
 have problems :- 1) acc
 which is used to work
 2) work
 - work stress + 1h
 period to increase sales
 boss opens ball. Says
 of work work on
 decline

contact @ health visitor.
 Mrs. GRO-B will
 call & assess.
 letter to GP.

DATE

(Each entry must be signed)

Assessment Problems with
work/acc. affecting wife
who never gets out. Abuses
some basic priority.
Support at home, etc. Also
like to go to court.

29/1/96

Pt + wife + daub. seen at his request. He "wants a loan".

1) Probly a hair. Drip + app. GRO-B isolated. ROR
→ Give support to wife.

2) Relationship problems a bit wife + pts. Both affecting K. C. + S. + D. discussed. It is difficult.

3) Work problems persist to bank etc. Advised - 7 consult Ericot.

Impression Pt very worried a bit. Eye v. isolated to help a hair. GRO-C

13/2/96

Seen in HC

Noticed blood in Seminal fluid 2/2 ago

None since

No prev. episodes

No pain of penis

Dysuria of freq

Testicular pain

7/9/96

He + wife seen for FU on 7/9/96
had discussed with which
~~10/10/96~~ has been selected - 142
should not have spontaneous
bleeds. Has also had no actions
to treat to V.

See on 10/10/96 for test
pt + wife → F.U. R/O to write
to further
relationship issues have
over last month & things
generally better.

To see again as couple
at next review.

GRO-C

11/0/96

Seen in n/c

C/o blood in his sperm for one week.

has had it before - cleaned as it was.

no dysuria / painful ejaculation.

→ check urine dystoch / 178u

→ reassurance

if it doesn't settle → to come back for review
in 1/week

16/7/96

Pl & wife seen at pre request
1) Social/relationship problems
• wife visited + + @ children
• 17500 unsatisfactory
• Hakeem's business not
doing well
2) Both worried ± bloods
• Not frequent from travel
(longs/working into furniture)
• Reactions → travel work
discussed that has had both
+ it should not be such a
source of concern. wife
feels she needs → accompany
him → hosp (but too tired)
discussed @ J.P. to review
that previous + travel work
for F.U. prior to next
review - appt to 10.30 19/8/96
