Dear Jim,

## SNBTS: BLOOD PRODUCT AVAILABILITY

Your letter to me of 14th July this year indicated your expectation that SNBTS would become self sufficient in Factor VIII in the financial year 1990/91. You also indicated that we would also expect an increase in SPPS supplies.

I am writing to you now to request an update on this position. Our Board is currently evaluating operational planning needs for the forthcoming financial year, and an early reply on the anticipated position with these blood products would be greatly appreciated.

Yours sincerely,

GRO-C

W.J. Tayler,  
Board General Manager.
