Subject: Infected Blood Inquiry Regional Group - Agenda 7th January 2019

Dear Colleagues

Please see attached Agenda for our meeting on 7th January at 2.00pm in Castle Buildings. A table of actions points from our previous meeting on 12th November is also attached, alongside for ease of reference the IBI “list of issues” published on the IBI website on 20th December and very kindly circulated last week by Karin Jackson, NIBTS.

Many thanks

Karen
