Dear Colleague

Vincent BAKER, DOB=09.08.1964, NHS No: 4842074914

GRO-C

Please could you let me know if Mr Baker is Hepatitis C positive. I have heard from 2 separate sources, i.e. his GP and a hospital in Birmingham called Sandwell Hospital, that he is positive. I have yet to receive a report of this and I cannot find any record of the result being filed in the notes. I would be very grateful if you could look into this for me and give me a duplicate copy if appropriate.

Yours sincerely
