Professor A.L. Bloom,  
Department of Haematology,  
University Hospital of Wales,  
Heath Park,  
Cardiff.

Dear Arthur,

GRO-A

Thank you for your note and enquiry about this little chap.

We put him on an accredited donor pool long before heat treated material became available and thankfully he now remains HTLV III antibody negative. We are, of course, also hopefully protecting him against Non A Non B.

Kind regards.

Yours sincerely,

GRO-C

A.Aronstam  
Consultant Haematologist.
