

m 3/c/5

WESSEX REGIONAL TRANSFUSION CENTRE

TO: Mr. Duddridge, c.c. Miss Devenport.

FROM: Dr. Smith.

Date: 27th June, 1974.

Please could you ask the team clerks, particularly at Naval sessions, to enquire if there is any history of jaundice even if the donor has previously donated. Anyone with a history of jaundice will not be accepted but I will always write to them and explain that they can go on our research panel.
