Dear DR BENSON

RE: MR EDWARD CONWAY, D.O.B. GRO-C 1958
 GRO-C

Following your request I arranged for this man to be offered an appointment at our hepatitis clinic on 1 April 2016. Unfortunately once again he failed to attend.

I understand that you review Mr Conway at your Altnagelvin clinic. I would be grateful if you could take the opportunity to discuss the possibility of treatment for his chronic hepatitis C with him again. If he decides that he would be willing to comply with treatment and keep all future appointments then I would be happy to offer him one further appointment at your request. In the meantime I am not arranging further review.

Kind regards

Yours sincerely
