Dear DR COURTNEY

Mr Conway was offered an appointment to attend the hepatitis clinic on 22<sup>nd</sup> May 2018, but failed to attend. The patient also failed to attend on 3<sup>rd</sup> November 2017 and also cancelled appointment offered on 6<sup>th</sup> October 2017. In view of these non-attendances I have no alternative but to discharge him from the clinic. I would be happy to see him again following your re-referral and if you can assure he is keen to attend.

Yours sincerely

**Dr Ian Cadden MD FRCP**
