I am writing to request transferral of all of my medical and treatment records, and those of my daughter Rebekah, to be sent directly on for the attention of Dr J T Wilde, The Haemophilia Unit, Floor 3 (purple zone) Queen Elizabeth Hospital Edgbaston, Birmingham B15 2TH. Due to a relocation move as of the 10<sup>th</sup> of February, it will now be necessary to transfer our Haemophilia care. I would like to take this opportunity to thank the haemophilia staff of the Royal Free for the care often much needed, that I have received over twenty years, and wish you all well for the future.
