Subject: RE: Peter Burney's letter concerning hospital appointment for liver procedure

Dear Pete,

Thank you for your further information.

We will require a discretionary one-off payment application for the claim.

The current medical letter received supports up to 3 nights stay, if your stay is longer please request evidence of this from the hospital.

Please provide a quote for the accommodation for your wife when you know the length of the stay in hospital. Due to the circumstances we will only require one quote for the hotel of choice.

We will also require evidence of payment for the taxi fares once paid.

Kind regards
