Thanks, GRO-D If we can reflect your response in what we send to no10 appointments would be grateful.

All the best,

GRO-D

Hi GRO-D

The intention is for a 3 month contract with the possibility of extending for up to a further 6 months if needed. So a 15 January start would expire on 15 April, but we will be able to extend for longer if needed.

 Hi team,

Thanks so much for getting this to us. MCO has read out with the following:

- He is content to approve all of these appointments.
- On duration it says 3 months with commencement on 15 Jan and automatic ending on 15 March - is it correct that the contract should end on that day? Or would we want more leeway on the final end date?

GRO-D would be grateful if you could come back on the above question. I know you are also engaging with the No10 Appointments Team ahead of us sending this over to make sure they are expecting it. I've pinged you a list of those we need to make sure are cc'ed when we send the final list over today.

All the best,

GRO-D

Hi [GRO-D]

As discussed with Maria, please see the link to the submission for the Expert Group: [Expert Group:Chair/Clinician names](#). There is a submission within it that will need to go to the Public Appointments team in No10 once MCO has agreed.

Thanks
