Subject: Re: MACFARLANE TRUST

Ian

Thank you for your note confirming that you are willing to make £2.5m available to the Macfarlane Trust this year. I would like to go ahead and make this payment. Could I therefore ask Sue Adams, to whom this minute is copied, to make the necessary arrangements for payment to the Trust (you already have details of the Trust's bank account).

We have not yet established the Department's minimum commitment to the Trust but, as discussed, will take this forward in parallel with the forthcoming review.
